

Content Developer

Ahsan Habib

Frontend Developer

Profile

I am a passionate and dedicated frontend developer with a strong foundation in computer science. As a lifelong learner, I am currently pursuing a degree in Computer Science, fueling my curiosity for technology and its ever-evolving landscape.

Work Experience

Jan 2023- Present
Freelancer

Junior Frontend Developer

- Collaborated with the development team to create and maintain user interfaces for web applications
- Implemented responsive designs, optimized website performance, and ensured cross-browser compatibility

Jan 2022- 2022 Dec
Litchu Miah School and College

ICT Teacher

As an ICT teacher at Litchu Miah School and College for nearly a year, I have demonstrated exceptional performance in delivering engaging and effective lessons. With a passion for technology and education, I have inspired students to excel in ICT subjects while fostering a supportive learning environment. Through innovative teaching methods and personalized attention, I have helped students develop essential digital skills and achieve academic success.

2016 - 2017

Account Manager | Bishwanath, Sylhet

Account Manager

I excel in fostering and maintaining strong client relationships while driving business growth. With a keen understanding of both client needs and market dynamics, I am adept at developing tailored solutions that meet and exceed expectations. My proactive approach to communication and problem-solving ensures smooth project execution and client satisfaction. I thrive in collaborative environments, leveraging cross-functional teams to deliver results that align with strategic objectives. With a track record of success in managing accounts and driving revenue, I am committed to delivering exceptional service and driving sustainable business growth.
