

Dear Sir,

I have two years' experience on merchandising on knit garments like Men's tee, polo, sweat crew neck, sweat hood, sweat shorts, long pant, child's tee, hoody, crew neck, shorts for the buyer BESTSELLER, CORE by Jack & Jones at VIYELLATEX. (September 2016 – Present)

Here I have achieved 123% sales target and 97% ontime shipment in last fiscal year.

Using latest ERP system- **SAP**, to book fabrics and accessories and **Fast React (FR)** for production planning and order visibility.

For Bestseller, communicating directly with Danish customers. Attending weekly live meeting directly with customer.

Now I am eagerly looking for a chance to get more responsibilities than now I have and improve my career facing more challenges in the field of merchandising.

Your well-wisher,

EBTAHAZ HOSSAIN
