Profile

I have a Graduation Degree in Mathematics with over four years of teaching experience in a secondary madrasha, teaching where is interesting as well as challenging!

Currently I am doing my Master's in Mathematics. As a teacher I always try to give my best and encourage my student's creativity and thinking to increase their performance.

I am a hardworking and determined individual. I am sincere with my work and try my best to be organized in what I do. Being a keen listener and a quick learner, I can very easily adjust myself to any new environment and get habituated to my work.
