Dear Sir/Ma'am

Please find enclosed a copy of my Curriculum Vitae. I am currently a student of MBA in Metropolitan University and I will be graduating in May 2020.

As you can see from my CV, my academic and leisure activities have given me the capacity and confidence to work with people from a variety of social backgrounds. My ability to work under pressure has been illustrated by my handling of the requirement to study and to juggle domestic responsibilities efficiently. I believe that through the research for my dissertation I have shown myself to be capable of organising my time effectively and using my initiative to come up with original ideas.

I am available for interview at any time and should you require any further information please do not hesitate to contact me.

Yours sincerely

Abul Afshar Dehan
