Shahjalal Uposhohor, Sylhet

Application for the role of Junior Assistant Teacher (Science)

Dear Principal,

Please accept my application for the junior assistant teacher position advertised on Thousand Careers. I would like to continue to develop my teaching skills while creating a challenging and fun learning environment for students.

I am very well qualified and would be an asset to the school because of my experience working as an assistant teacher for Shahjalal Model Madrasah.

I enjoy tutoring students and helping them build confidence in their ability to achieve, both academically and socially. In addition, I have artistic and computer skills that will be an asset when developing class projects.

Thank you for considering my application. I would appreciate the opportunity to interview and look forward to hearing from you in the near future.

Yours sincerely,

Md. Rakid Hasan Chowdhury
