Subject: Application for the post of "Assistant Engineer".

Dear Concern,

In response to your job vacancy, I beg to offer myself as a candidate for the post of "Assistant Engineer" in your esteemed organization. I would like to make your kind attention to the fact that I have graduated from AIUB(American International University , Bangladesh) & confident to work in professional environment in networking & IT sectors. I am very interested in networking and have an expert level knowledge in it. I am working for Link3 Technologies LTD for one years and gained a lot of professional experience in IT sectors.

I am CCNA & CCNA Security vendor certified and now doing CCNP course in AIUB. Now I am working with Unix operating system specially in Kali Linux which is the most popular and professional penetration testing OS.

Considering my CV, academic and other qualifications; if you consider me for network administrator; I will discharge my assigned duties sincerely & honestly and oblige thereby. For any query, you can reach me at my mobile 01787667219. Thank you for your time and consideration.

Thanking you

Sincerely

.....
