House 34, Block A, Shahjalal Uposhahar, Sylhet.

This email is in regards to my interest in applying for the post of IT Officer recently posted on (website). Currently, I am pursuing CCNA from Shahjalal University of Science & Technology. I have done my undergraduate at The Metropolitan University, Sylhet. I did my HSC from Sylhet Govt. Collage and SSC from Pilot Govt. High School, Sylhet.

Earlier I am working as a remotely data entry operator of the Chairman Secretary, Jaintapur Union Parishad from 2015 to 2016.

My final year project was an online Reading book and downloading system based website where the people could easily get their favorite books, text books which were totally free and in case of downloading system. In this system people could see thousands of books and downloading them by paying money by Bkash.

My strengths are I am a good learner and innovative. I have a positive attitude and committed to my work. My Weakness is I am not comfortable until I finish my work in the given time & over friendly in nature. I understand that for this position of IT Officer that you are hiring for, you are looking for someone. Overall, due to my strong background and confidence, I am confident that I will be able to succeed in this post which you are hiring for.

Sincerely,

Khukon Bhowmik
