Dear Sir,

I'm writing to express my interest for the position you required. I should be grateful if you would consider my application for the post. I am looking for a better avenue for my work where my academic background and personnel skills will allow me the opportunity of growth and I found your company to be very impressive. I want to be a part of this organization.

I have a publication titled "Communism: A Critical Overview from Plato and Modern Perspective" published from the Journal of Social Science Vol. 3 and 4, December 2015, Begum Rokeya University, Rangpur, Bangladesh [ISSN 2305-1035]. I also completed a thesis on Impact of E-Governance in Establishing Good Governance through Public Service Delivery Mechanism in Bangladesh: An Assessment of Union Information and Service Centers.

I am very keen to take new responsibilities with bigger operations and high challenges. I am a fast learner and can adapt to new situations. I can fluently speak and write in both Bangle and English. I have excellent negotiation and interpersonal communication skills and can able to interact with the people at all levels.

I hope I may be granted a personal interview, if you feel my qualifications fit me for the position needed.

Looking forward to working with your esteemed organization.
