Dear Sir,

I read with enthusiasm your recent advertisement for the position of Front End Developer and I am writing to express my interest. My superior focus and attention to detail combined with my extensive knowledge of HTML5, CSS3, PSD to HTML, Adobe Photoshop, Bootstrap 4, JavaScript, jQuery, PHP & MySQL make me an exceptional choice.

I worked as a Front End Developer at Infinity Flame soft for one year. I bring a Bachelor's Degree in Computer Science & Engineering along with regular updates and certifications. My abilities to produce excellent code and to clearly communicate and collaborate with co-workers customers and management have led to company successes. I have about one year of Front End Developer experience and am committed to staying up-to-date with all technological advancements. All of my qualifications make me an exceptional candidate for the Web Developer position.

Thank you for your time and consideration. I'm looking forward to learning more about the Front End Developer position. As a Web Developer, my goal is to continually increase my skills in order to present better solutions to my employers and their clients. I enjoy uncovering new ideas to deliver viable solutions for digital technologies.

Sincerely,
Md Habibur Rahman
