### **Career Objective:**

I am interested to familiar with technical platform to achieve every success in my future life.

### **Career Summary:**

I am familiar with requirement analysis, planning, technical documentation, installation, maintenance and support. I gather technical knowledge from my academic curriculum`s, professional environment, work places, technical training`s, workshops, seminars and I want to upgrade my level, I just need a chance to utilize my skills.

### **Special Qualification:**

Technical Planning, Requirement Analysis, Installation, Erection, Commission, Maintenance, Support

### **Employment History:**

**Total Year of Experience : 9.8 Year(s)**

1. **Junior Engineer (Electrical) ( December 16, 2015 - Continuing)**

**Design Development Consultant Ltd.**

Company Location : Dhaka

Department: Electro - Mechanical

**Duties/Responsibilities:**

• Construction of RHD Headquarter Building Complex Project • I am working as a consultant in the RHD Headquarter Building Project of SUSEC Road connectivity Project for Roads and Highway Department under the project management of DDC VA JV through the authority of Development Design Consultant Ltd for the electrical works. I am supervising the technical works in the field level coordinating with the contractor NAVANA PROVITA JV according to following the tender document, technical specification, drawing, design.

• Development of Cox's Bazar Airport Project • I worked as a Consultant in the Project of Civil Aviation Authority Bangladesh (CAAB) under the project management of Yooshin Ilshin DDC JV through the authority of Development Design Consultant Limited for the electrical works and additionally for the civil works. I supervised the technical works in the field level coordinating with the contractor Halla MAH Seokong JV according to following the tender documents, technical specifications properly and inline. I am monitoring the installation, erection, implementation of airfield ground lighting system, precision approach lighting system, simple approach lighting system, runway edge lighting system, runway threshold lighting system, runway end lighting system, runway cable crossing ducts and associate existing runway widening portion works, widening of runway shoulder, runway extension, over runway extension, leveling, material testing according to following all the approve technical drawings, documents, specifications, amendments, notices, agenda, minutes with standard analysis.

**2. IT Officer ( October 1, 2015 - November 30, 2015)****Libra Infusions Ltd.**

Company Location : Mirpur, Dhaka

Department: IT

**Duties/Responsibilities:**

• I was involved in the maintenance of brand/non-brand servers, client workstations, network (LAN/MAN), data connectivity, sale software monitoring, Tally software monitoring, printers (normal/laser), CCTV and responsible to install, commission all IT equipment's. Also I was assigned to make technical plan, stock inventory of IT products, team management and all types of IT managerial task.

• I was engaged in the installation, commissioning of IT equipment's, servers, client workstations setup, network deployment as per following management decision.

• I was responsible to analysis stock maintenance with co-worker, IT expendable and non-expendable items purchase as per maintaining a monthly budget.

• I was responsible to manage a team of 01 member including network establishment, monitoring, servers, client workstations maintenance, data/voice communication monitoring and software (sale, Tally) maintenance.

• I was responsible to present reports to the authority and need to attend any technical meeting with top management.

**3. Electrical Engineer ( August 1, 2014 - September 1, 2015)**

## **JANIMH TECHNICAL SOLUTION**

Company Location : Patuakhali, Barishal

Department: Electrical

### **Duties/Responsibilities:**

• Register Primary School cum Cyclone Shelter Building Construction Project

Project : Fael Khair Program (FKP)

Client : Islamic Development Bank

Consultant : IMC, BCL, DDC, BETS, EPC

Chingoria, Dasmina, Patuakhali, Barishal

• Register Primary School cum Cyclone Shelter Building Construction Project

Project : Fael Khair Program (FKP)

Client : Islamic Development Bank Project : Fael Khair Program (FKP)

Consultant : IMC, BCL, DDC, BETS, EPC

Shankipur, Dasmina, Patuakhali, Barishal

#### **4. Site Engineer (Electrical) ( January 1, 2013 - June 1, 2014)**

### **ECC Company Ltd**

Company Location : Brahmonbaria

Department: Electrical

### **Duties/Responsibilities:**

• I worked in the Gas Process Plant Project of Brahmonbaria Gas Field Company Ltd. under Engineers Consortium & Construction Co. Ltd. (1.3/1.4 High Pressure Gas Sector Enlisted Contractor in Bangladesh) of Titas 17 & 18 Drilling Project at Ghatara & Kholapara, Brahmonbaria.

• I was Involved in the supervision of erection, installation of electrical, mechanical equipment's, pipe laying works.

• I was responsible to analysis the technical drawings, project planning, schedule discussing with co-workers, technical documentation works, site supervision and monitoring.

• I managed teams of qualified welders, fitters, grinders, operators, technicians, helpers with welding generators, gas cutter machine's etc.

#### **5. Site Engineer (Electrical) ( July 1, 2012 - December 1, 2013)**

### **Lafiz C&C (LCC)**

Company Location : Dhaka

Department: Electrical

### **Duties/Responsibilities:**

• I worked in a Seven Stories Residential Building Construction Project.

• I was involved in the supervision of the works according to following all the design, drawings and maintain communication with owner, project initiators, consultants.

#### **6. IT Manager (Project Section) ( December 1, 2011 - June 1, 2012)**

## **CSD Bangladesh**

Company Location : Dhaka

Department: IT

### **Duties/Responsibilities:**

• I was involved in the maintenance of brand/non-brand servers, client workstations, network (LAN/MAN/WAN), data connectivity, sale software maintenance, printers (normal/dos/laser), voice and mail communication equipment's like PABX, IP Phone, FAX machine, CCTV, POS counter technical equipment's like POS printer (thermal/normal), weighing scale machine etc. and responsible to install, commission all IT, electrical equipment's to any new project. Also I was assigned to make technical plan, project plan, stock inventory of IT products, team management and all types of managerial task.

• I was engaged in the Mohakhali CSD Super Shop • Dhaka Project, Bogra Exclusive Shop Project, CSD Junction Super Shop • Dhaka Project, Baridhara CSD Super Shop • Dhaka Project, Saver Exclusive Shop Project and successfully install, commission the require IT equipment's, servers, client workstations setup, network deployment as per following management decision.

• I was responsible to analysis technical drawings, project planning, electrical load analysis, stock maintenance with co-workers, IT expendable and non-expendable items purchase as per maintaining a monthly budget.

• I was responsible to manage a team of 4 members including network establishment, monitoring, servers, client workstations maintenance, data/voice communication monitoring, software (sale) maintenance.

• I was responsible to present reports to the authority and need to attend any technical meeting with top management.

**Academic Qualification:**

Exam Title	Concentration/Major	Institute	Result	Pas.Year	Duration	Achievement
Masters of Science (M.Sc.)	Computer Science	Department of Computer Science & Engineering (CSE), Jahangirnagar University	CGPA:3.66 out of 4	2014	January, 2013 - February, 2014	I achieve the IT concepts related to the technical works and interest to utilize thereby.
Master of Business Administration (MBA)	Finance	Department of Business Administration, Southeast University	CGPA:3.02 out of 4	2013	January, 2012 - June, 2013	I gather the business concepts related to the technical works and interest to utilize thereby.
Bachelor of Science in Engineering (B.Sc. in Engr.)	Electrical & Electronic Engineering	Faculty of Engineering, American International University - Bangladesh (AIUB)	CGPA:3.01 out of 4	2008	May, 2004 - March, 2008	I can introduce myself to all technical platforms confidently for the engineering degree.
HSC	Science	Dhaka College	CGPA:3.5 out of 5	2003	August, 2001 - October, 2003	Achieve the supreme confident to enroll in the engineering program.
SSC	Science	Government Laboratory High School	CGPA:4.5 out of 5	2001	January, 1999 - July, 2001	Gather the sufficient knowledge to study more in advance about science.

### **Training Summary:**

Training Title	Topic	Institute	Country	Location	Year	Duration
Technology Upgradation in Light Engineering Sector with Special Emphasis to CNC Machines	CNC Machines, G-Code technology, Industrial Concept	Institute of Appropriate Technology (IAT), BUET	Bangladesh	BUET, Palashi, Dhaka	2010	23/05/10 to 27/05/10
Heat Treatment & Quality Assurance System in Light Engineering Sector	Metal structure, various types of heat treatments, Machineries, Management, Safety Engineering, Technical Laws.	Institute of Appropriate Technology (IAT), BUET	Bangladesh	BUET, Palashi, Dhaka	2010	16/05/10 to 20/05/10
Microcontroller	Basic concept of Microprocessor and Microcontroller, Hardware Connection with Software Setup, ADC, Interrupt, Timer, RTC, USART, 7 Segment and LCD Display.	Engineering Staff College Bangladesh (ESCB)	Bangladesh	Ramna, Dhaka	2010	20/01/10 to 08/02/10
Tobacco Economics	Economics	Unnayan Shamannay	Bangladesh	Shahabag, Dhaka	2010	February-March, 2010
Few Moments in Space Science	Classical Physics, Relativistic Physics, Quantum Physics, Solar System, Stellar Evolution, Black Hole, Cosmology	National Museum of Science & Technology (NMST)	Bangladesh	Agargaon, Sher-e-Bangla Nagar, Dhaka - 1207	2010	04/11/09 to 06/01/10
21st History of Art & Art Appreciation Course	History, Art, Paintings, Classical Paintings, Colors, Findings.	Bangladesh Shilpokola Academy (BSA)	Bangladesh	Segunbagicha, Ramna, Dhaka - 1000	2009	26/05/09 to 21/06/09
Digital Photography	Photography, Camera Movements, Different Shoot Position, Procedure, Tools.	Institute of Language & Creative Sation (ILCS)	Bangladesh	Gulshan, Dhaka	2009	May 22, 2009
Programming of PLC System	Industrial Automation, Maintenance and Troubleshooting, Concept of PLC System, Ladder diagram, Installation of LOGO PLC.	Engineering Staff College Bangladesh (ESCB)	Bangladesh	Ramna, Dhaka	2008	07/02/08 to 06/03/08

### **Professional Qualification:**

Certification	Institute	Location	From	To
Linux System Administration and Server Configuration	Bangladesh - Korea Information Access Center (IAC), Department of CSE	BUET, Palashi, Dhaka, Bangladesh	May 21, 2013	September 21, 2013
IEB Certified LAN & WAN Administrating with Windows 2003 Server	Engineering Staff College, Bangladesh (ESCB), IEB	Head Quarter, IEB Ramna, Dhaka - 1000, Bangladesh.	January 1, 2012	July 11, 2012
AutoCAD (Civil Drafting) Course	Institute of Creative Design	Mirpur, Dhaka, Bangladesh	July 21, 2010	October 20, 2010
Computer Graphics Course	Department of Youth Development, Ministry of Youth & Sports	Bank Town, Savar, Dhaka	July 1, 2009	December 31, 2009
Post-Graduate Diploma in Computer Information Technology (PGD in CIT)	Institute of Information Technology (IIT), Jahangirnagar University	Savar, Dhaka, Bangladesh	June 1, 2008	November 14, 2009
Cisco Certified Network Associate (CCNA)	AIUB Cisco Networking Academy	Banani, Dhaka, Bangladesh	April 30, 2006	September 20, 2007

### **Career and Application Information:**

Looking For : Mid Level Job  
 Available For : Part Time  
 Expected Salary : Tk. 25,000  
 Preferred Job Category : Engineer/Architect, IT/Telecommunication, Research/Consultancy, Other Special Skilled Jobs  
 Preferred District : Anywhere in Bangladesh.  
 Preferred Country : Italy, Japan, Netherlands, New Zealand, United Kingdom, United States, Australia, Canada, France, Switzerland  
 Preferred Organization Types : Banks, Telecommunication, University, Computer Hardware/Network Companies, Govt./ Semi Govt./ Autonomous body, Multinational Companies, Embassies/Foreign Consulate, Engineering Firms, Consulting Firms, Hospital, Airline, Overseas Companies

### **Specialization:**

Fields of Specialization
<ul style="list-style-type: none"> <li>• LAN/ WAN</li> <li>• Windows 2000/ 2003 Server(s)</li> <li>• Windows XP/ 2000/ ME/ 98</li> <li>• Gigabit Network Designing</li> <li>• Computer Engineering</li> <li>• Electrical/ Electronics</li> <li>• Network Engineering</li> </ul>

### **Language Proficiency:**

Language	Reading	Writing	Speaking
Bengali	High	High	High
English	High	High	High

### **Personal Details :**

Father"s Name : Md. Mohsin  
 Mother"s Name : Roksana Mohsin  
 Date of Birth : May 8, 1985  
 Gender : Male  
 Marital Status : Unmarried  
 Nationality : Bangladeshi  
 Religion : Islam  
 Permanent Address : Golden Dream, Ho# 87 (2nd Floor), Road # 02, Block - A,  
 Bashundhara R/A, - 1229, ., Vatara, Dhaka  
 Current Location : Dhaka
