

John Kerry

Address: Sylhet

Phone: 01922222111

Email: john@gmail.com

CAREER SUMMARY

If you want to remove whitespace only from the beginning of a string, you should use the ltrim() function in PHP.

SKILL

Personal skills: English Bangla Hindi

Professional skills:

Technical skills: MS office Popwerpoint

QUALIFICATION

Attained:

2018	Honors in CSE	3.36	Gono Bishwabidyalay
------	---------------	------	---------------------

EXPERIENCE

Company: Staff India

Work Time: 24th-February-2018 To 4th-May-2018

Location: House 1, Block A, Road No: 12, 6th floor(Lift 5) Shahjalal Uposhahar, Sylhet

Designation: Web Developer

Tasks:

We know the distress and difficulty caused when individual virtual workers/freelancer abandon your project

Our job is to protect you and your business from disruption

If something goes pear shaped we will handle it, even if this means giving you another virtual employee to meet a deadline with the cost on us

Training

Institute: Staff India

Training Time: 2018-06-26-2018-05-04

Location: House 1, Block A, Road No: 12, 6th floor(Lift 5) Shahjalal Uposhahar, Sylhet

Topics:

We are here to support your business, not to make things harder for you

Outsourcing work to India can seem daunting, our team of managers and Consultants are always available to help you
