CAREER SUMMARY

Teaching, as a profession, I would like most. Firmly I believe that teaching may well be a profession with the greatest responsibility, strict discipline, sincerity and honesty which requires the truly best and brightest, wisest and most motivated, most creative and compassionate people. More than any other profession, teaching has the power to create a healthy, just, and peaceful world. It has the ability to seed our society with informed, caring and engaged citizens. It has the capacity to inspire lifelong learning and a passion for knowledge, understanding, and innovation. Teachers are the agents of the future. I want to see our future generation as creative and critical thinkers; as wise, compassionate and knowledgeable citizens; as skilled and motivated solutionaries.

SKILL

Personal skills:	• Good quantitative, analytical and problem solving skills. • Have effective decision taking capacity and strong commitment to work assigned. • Strong teamwork skills. • Positive attitude to work under pressure to meet the deadline.
