

Mahmud Ahmed

Front-end Web Developer

I am a Front-end web developer with 1+ years of experience. Looking for an opportunity to grow up my skills further. Proficient in React JS, Javascript, Python, HTML, and CSS, I am eager to work with a team to create responsive and visually appealing websites.

EXPERIENCE

Web Developer Intern, Interactive Cares-Dhaka

January 2022 — May 2022

- ❖ Assisted in the development of responsive and user-friendly websites using HTML, CSS, Javascript, and React JS.
- ❖ Conversion PSD to React, Figma to React.
- ❖ Use of some back-end technologies like Python, and Django.
- ❖ Working with a team.
- ❖ Collaborated with the executive panel.

EDUCATION

Current Education:

I am studying Diploma in Electrical technology at Sylhet Polytechnic Institute. I am currently in the 4th semester.

SSC:

Section: Technical

Subject: Computer

School: Bhatara School and College

GPA:5.00

PROJECT

1/ Project name: **E-commerce front-end part**

GitHub Link: [Harri E-commerce Shop](#)

Short demo video of this project: [Harri Shop Video](#)

- ★ This is a front-end-based full E-commerce site. It is my personal project to test my skill.
- ★ This is a **React** application using the React-Bootstrap, React-routing, and fake API.
- ★ Product browsing, sorting, and cart functionality are

Sylhet, Bangladesh
