Reg: Application for the post of 'Full Stack Web Developer'

Dear Sir,

From the advertisement from thousand.careers website on 30/11/18, I came to know that StaffIndia will recruit Fullstack web Developer.

As a WordPress web developer, I would like to apply for the post of Fullstack web Developer.

I would highly appreciate to get the opportunity of an interview to give you detail idea about my abilities for the post.

Thanking you

Truly yours

Mir Monir Hossain
