

To,
The HR Department.
Staff India, Sylhet.

Sub: Application for the position as “Full Stack Developer”.

Dear Sir/Madam,

I would like to express my interest in a position as "**Full Stack Developer**". I am continuing a job as a Developer & Sr. IT Engineer at C&E IT Solution since 1st March 2017 to till now and around five years experience as IT officer at ABC Diagnostic Centre. I have been completed my PGD-IT at Shahjalal University of Science and Technology(SUST) and completed CCNA program there. I have also completed my MBA with major in finance.

I have a great working experience in fully integrated Hospital Management Software (HMS) in the environment of .NET Framework, Angular and other software like HRM, Inventory Management, Pharmacy etc.

My project portfolio were Food & Beverage Software, Fixed Asset Management Software, Laundry & Linen Software, Blood bank Management Software.

I'm sure my maturity, practical experience and eagerness to enter the publishing service and I will make and excellent additional assistant. I would love to begin my career and I'm confident that I would be a beneficial addition to "Staff India ".

Thank you so much for your time and consideration.
