

Dear **Hiring Manager**:

I am writing to be considered for the position of PHP LARAVEL Developer. With over 2 years of experience in development and a wide skill set, I am ready and able to bring much to the operations of Ripper Industries.

My professional background makes me a great match for this position, especially my experience as a PHP Web Developer in my several Laravel projects , and I am certain I would make a valuable addition to your organization. My on-the-work experience has additionally afforded me skills in customer service, critical thinking, and Technical writing and reading.

Some highlights of my qualifications and experience include:

- Skilled in hardware operating systems
- Dynamic Laravel 5.8 Web Apps
- Managed relational databases systems and web development and web services
- Managed and maintained development of PHP backend for dynamic database driven websites
- Provided technical support in the assurance of quality systems and system changes
- Proficient in CSS/HTML, jQuery
- Hands-on experience with LARAVEL Projects

Thank you for your time and consideration, I look forward to hearing from you.

Sincerely,

Shimanta Dey
