Dear HR Manager:

This letter is to express my interest in your posting on your website for an experienced, detailed-oriented, front end web developer. With 4 years of hands-on experience efficiently coding web sites and applications using modern HTML, CSS, and JavaScript, I am confident I will be an excellent addition to your organization.

Building state-of-the-art, easy to use, user friendly web sites and applications is truly a passion of mine. I actively seek out new technologies, and stay up-to-date on industry trends and advancements.

Continued education has allowed me to stay ahead of the curve and deliver exceptional work to each employer I've worked for - both full-time and contract.

I've attached a copy of my resume that details my experience, along with links to the various web sites and applications I've had the honor of working on.

I can be reached anytime via my cell Mobile, +8801612707694 or via email at [b.mostofa2010@gmail.com](mailto:b.mostofa2010@gmail.com). Thank you for your time and consideration. I look forward to speaking with you about this opportunity.
