Subject: I prefer web design related job.

Dear Sir/Madam,

I am writing concerning a suitable position in web design with any IT organization. I have a particular interest in working IT related organization. Because I have some work experience in this field and I feel comfort in this work, I can make positive contribution to any organization.

I have completed Diploma in Computer Science at IBIT, Sylhet and internship in Nano IT to completing my diploma and also complete Web Design course with internship from Salah Software Company. One of my projects approved by theme forest. Several times I was participated IT training programme in different organization. I work effectively under pressure and handle my time efficiently.

My Curriculum Vitae and photo are attached. Please Contact me as soon as possible, you can reach me by email at ripabhatt08@gmail.com or my phone at +8801765746514.

Kind Regards

Ripa Bhattacharjee
