

To,

The Principal

Sylhet Cambrian School and College, Sylhet

Dear Sir,

I would like to apply for the vacancy advertised on a website '<http://thousand.careers/>' for a lecturer in ICT in your college.

From my CV you will come to know that I just completed my graduation in Computer Science and Engineering. In my graduation carrier, I took a lot of workshops in the students of my university. I also teach as a freelancer teacher in ICT from 4 years.

I had a long cherished desire to be a teacher. I am committed to my profession. I firmly believed that I am in a position to bring out the latent talent of the students through my professional endeavor.

Based on my previous experience and academic qualifications I do hope that I will be able to help develop the students of your college to earn envious reputation.

I also include the complete CV.

Thank you for your interest and consideration. I look forward to hearing from you soon.

Your sincerely,

Ahmed Dider Rahat
