Dear HR Manager,

With a Bachelor's degree in Computer Science and Engineering, 2 + years hands-on experience on developing web applications. According to <http://thousand.careers/> website. I know that you are recruiting PHP Developer and I am excited to join as team to learn new technology.

The requirements and skills listed on website closely match my background and skills. I enjoy being challenged and working on projects that require me to work outside my comfort and knowledge set.

My current salary is 25,000 Taka. My salary requirement is in the 25,000 Taka – 35,000 Taka range. However, my salary is negotiable based on the overall compensation package.

I've attached my resume that further explains my backgrounds, projects and technical skill. I can be reached anytime via my cell phone, 01765996426 or via email at ronicse2011@gmail.com.

Thank you for your time and consideration.

Best Regards,

Md. Josim Uddin Roni
