

Dear sir,

In response to your online job posting in the "www.thousand.careers.com".

I would like to apply for that post . I feel very much interest to apply for this job. Since I have completed my Graduation BSC in CSE. I feel very interest to apply this post.

Therefore, it would be highly appreciate if you would consider me as an employer to server your company.

I eagerly await for your positive response and would be delighted to interview for this opportunity .
