Principal
SAAC International College Bangladesh,
Sylhet

Sir,

I am writing to apply for the position of ICT Teacher, as described on the Thousand Careers website. In accordance with your job description, I have the following skills:

- Introducing students to effective computer programming skills.
- Ensuring computer related material is fun and easily related to real world. .

I have enclosed my curriculum vitae so you may examine my work, skills and my educational background.

I can be reached anytime by email at jnargis202@gmail.com or my cell phone 01687416349. Thank you so much for your time and consideration. I look forward to speaking with you about this position.

Sincerely,

Nargis Jahan
