Dear Sir/Madam,

I am pleased to applying for the position of Front-end Developer at Staff India. Sir, I want to say that I have done my graduation from North East University Bangladesh department of Computer Science and Engineering with a degree BSc. (Engg.) in CSE. I believe that I can prove to be a valuable asset for your company if you will kindly allow me to work and perform my services here, in your company. I can assure you that there would be no issues regarding discipline, punctuality or any other disputes. I believe in utilizing my skills in a positive way in order to benefit my coworkers and create a productive and cooperative environment in my surroundings.

I hope that you will take in view my application, which further details my skills and qualifications. I look forward to further discussing with you how I can contribute to the goals of your company. Please contact me at your earliest convenience via phone at +8801754507006 or by email at rubinarubi10@gmail.com. Thank you for your time and consideration.

Sincerely,

Rubina Begum
