Well Food

Dear Sir:

I'm from sylhet and currently I'm studying at Dasking Surma College in the group of Science. I've found a advertisement that you're looking employee for your company. And I'm really interested to work with your company. I've almost eleven months work experience in a shop as a sales assistant.

I am a resourceful problem solver with the ability to create and lead change in extremely challenging environments. I possess a consistent history of leadership and strong moral and ethical code. For a more detailed presentation of my skills and offerings, please review the enclosed resume and feel free to contact me at your earliest convenience. Thank you for your consideration and I look forward to our conversation.

Sincerely,

Ajmol Ali
