

Mobile Application Developer (Android)

Dear Sir,

I am applying for the position of Apps Developer (Android) with your company because I think the ever-changing world of technology is fascinating and I am very interested in working with your team in particular.

I know I have the drive, energy and knowledge to be perfect for this job. I have learned all I can about Android and I am excited at the idea of becoming part of a developing team where I can learn even more.

I have completed three months Leveraging ICT for Growth, Employment & Governance training in Mobile Application Development (Android) organized by Bdjobs Training.

Now I request to you for an interview at your own convenience and I will try my level best to fulfill your demands.

Sincerely,
Mohan Kumar Sarkar
