

Dear Sir,

I'm Sami, 30-year-old Bangladeshi native and currently working in an IT firm as a Senior executive. My key job role is to ensure implementation, monitor pre-sales & post-sales activity, maintain business relationships with our existing stakeholders and build new relationship with potential new national, international clients. I also must maintain relationship with our government personals and govt. agencies.

Management activity are on my regular to-do list. I'm familiar with this in my professional life. So, it will be lot easier for me to perform if I get the opportunity.

Sincerely,

BADRUL AMIN KHAN
