GPA: 4.94/5.00

Group: Science

Siraj Uddin Ahmed Academy, South Surma, Sylhet.

Higher Secondary Certificate,2011

GPA: 3.70/5.00

Group: Science

Sylhet Women's College, Sylhet.

B Sc. in Computer Science & Engineering, 2015

CGPA: 3.79/4.00

Metropolitan University, Sylhet, Bangladesh.

Thesis Title: . A Rule-based Stemmer on Bangla Language

Thesis summary:

Deriving the appropriate base word for any given word in Bangla is one of the biggest challenges for language processing criteria. The basic concept to the solution of the problem is to eliminate inflections from a given word to derive its stem word. Stemmers attempt to reduce a word to its root form using stemming process, which reduces an inflected or derived word to its stem or root form. This research develops a rule-based suffix stripping algorithm that eliminates inflections and search for the tokens with exceptions in the dictionary.

SKILLS

I am skilled on the following programs:

- ❖ Programming Languages: C, Python.
- ❖ MS Word, MS PowerPoint, MS Excel.
- ❖ Proficient in English and Native Language.

PERSONAL INFORMATION

Father's Name : Nizam Uddin Ahmed
Mother's Name : Shafia Begum
